

### **ABOUT US**

Stanza Decor was founded with a bold vision: to transform interior décor with innovative and premium-quality products. Our journey is driven by an unwavering commitment to exceptional design and craftsmanship, setting new benchmarks in the industry.

Quality is the cornerstone of everything we do at Stanza Decor. We understand that our customers expect nothing but the best, which is why we source only the highest quality materials and employ skilled artisans who share our commitment to perfection. Our rigorous quality control processes ensure that every product that leaves our facility meets our exacting standards and exceeds your expectations.

Manufactured in India, we proudly support the Make in India initiative. By utilizing advanced technology and adhering to the highest standards of quality, we contribute to India's vision of self-reliance and sustainable growth.

# SOFFIT PANEL

Soffit Panels beautifully mimic the natural look and feel of real wood while providing the perfect blend of style and convenience. Designed for versatility, these panels can be used on both ceilings and walls, making them an excellent choice for various spaces, including balcony ceilings.

Featuring advanced interlocking technology, they are easy to install and ensure a seamless, elegant finish. Soffit Panels are a practical and cost-effective alternative to traditional wooden finishes, ideal for those seeking durability, functionality, and aesthetic appeal.

# **CUSTOM SIZING**

Stanza Decor provides tailored solutions with custom sizing for its premium Soffit Panels, offering lengths ranging from 2.4m to more than 4m to create a seamless and visually stunning finish.

Custom sizing not only enhances the aesthetics of your space but also delivers significant cost efficiency, especially for large-scale project orders, by minimising material wastage and reducing installation effort.

# **FEATURES**

#### FIRE RETARDANT

Engineered for safety, the panels resist fire, providing an added layer of protection to your spaces.

#### **EASY TO INSTALL**

Features advanced interlocking technology, enabling quick and seamless installation without professional expertise.

Designed for ease of handling and transportation, without compromising on durability and strength.

#### LIGHT WEIGHT ADVANCE INTERLOCKING

Ensures a secure, seamless finish while simplifying the installation process for hassle-free results.

#### TERMITE RESISTANT

Built to withstand termite attacks, ensuring long-lasting performance and peace of mind.

#### **RUST PROOF**

Resistant to rust and corrosion, making it ideal for both indoor and outdoor applications.

#### WATERPROOF

Fully resistant to moisture, perfect for areas exposed to water, such as balconies and bathrooms.

#### MOISTURE RESISTANT

Effectively prevents damage caused by humidity, making it suitable for damp environments.

# **FEATURES**

#### NO PLY REQUIRED

Eliminates the need for additional plywood backing, reducing overall installation costs and effort.

#### **REAL WOOD LOOK**

Beautifully mimics the texture and appearance of real wood, offering elegance without the upkeep.

#### RECYCLABLE

A sustainable choice that can be reused and is fully recyclable, contributing to environmental responsibility.

#### NO VOC EMISSION

Safe for indoor environments with zero volatile organic compound emissions, ensuring healthy living spaces.

#### **CUSTOM SIZING**

Panels can be tailored in lengths from 2m to more than 4m, providing flexibility for seamless integration into any design.

#### **IMPACT RESISTANCE**

Built to endure physical impacts, maintaining its structure and appearance over time.

#### **ANTI BACETRIAL**

Inhibits bacterial growth, making it hygienic and suitable for health-sensitive areas.

#### MAINTENANCE FREE

Requires minimal upkeep, saving time and effort while retaining its aesthetic appeal.
